

## **REMARKS**

Entry of the above amendment to the specification and claims is respectfully requested.

The present divisional application has been amended to include a reference to the parent application. Additionally, the application has been amended to cancel claims 1-6 that the Examiner stated were drawn to a separate invention in a restriction requirement of the parent application, and to cancel claims 7-13 that were elected in the parent application.

Furthermore, claims 16 and 17 have been added to the present application. Support for claim 16 can be found on page 49, lines 22-25. Support for claim 17 can be found on page 49, line 25 – page 50, line 2. Therefore, no new matter has been added by way of the preliminary amendment.

Accordingly, it is respectfully requested that this application be allowed and a Notice of Allowance issued. If the Examiner believes that a telephone conference with Applicants' attorney would be advantageous to the disposition of this case, the Examiner is requested to telephone the undersigned.

Respectfully submitted,
